§5–607.

The forester shall:

- (1) Make plans for management and reforestation of forest, woodlot, and tree crop orchards;
- (2) Assist landowners of the district in marketing their forest products;
- (3) Hold meetings of county or local forest fire wardens, lookouts, guards, fire fighters, and others to instruct them in methods of forest fire prevention and extinction;
- (4) Enlist the cooperation of landowners in protection of their forests from fire, insects, and disease;
- (5) Make an annual written report of his activities to the Secretary;
- (6) Assist the State Extension Forester in carrying out the Farm Forestry Extension Program;
- (7) Assist forest landowners in formation and execution of soil conservation practices;
- (8) Keep accurate records of any forest management plan;
- (9) Assist in management of community or municipally owned forests;
- (10) Assist assessors in appraisal of woodlands; and
- (11) Advise and assist in planting food-bearing trees and shrubs for the benefit of wildlife.
